Maker Fun Factory Totally Catholic VBS, sparks imagination! With jaw-dropping experiences, kids discover they're lovingly crafted by God. On this interactive adventure, curious kids become hands-on inventors and experience God—the ultimate Maker—in new and wildly creative ways. Kids learn one important Bible Point each day, and it's reinforced through Bible adventures, Saint Cards, real-life stories of children of all ages, songs, snacks and hands-on explorations that help children know they are created by God and built for a purpose! Your kids will also participate in hands-on mission project through Catholic Relief Services called Connecting Kids to Justice that will remind your kids that they are built for a purpose and called to do good works.

Volunteer Information

VBS is a success only because of our volunteers! Children in grades K-5 are assigned to multi-age small groups. Older children in the group help the younger children, and younger children are inspired by the older children. While all volunteers are valuable, **the need for ADULT volunteers is critical and required by diocesan policy. A limited number of Tinker Tot (preschool) spots will be available for those parents who volunteer for 3 or more days. This form MUST accompany any registration form that includes a preschool registration request. We reserve the right to limit the number of preschool attendees.**
